IABCET | The International Accreditation Board *for* Continuing Education and Training

Certificate of ACCREDITATION

INSTITUTIONAL ACCREDITATION

The International Accreditation Board for Continuing Education and Training
hereby confers Institutional Accreditation upon

IOSHQ | The Institute of Occupational Safety, Health and Quality Management

In recognition of its conformity with the applicable IABCET Standards for Quality and Continuous Improvement and its demonstrated commitment to educational quality, professional integrity, instructional excellence, and positive learner outcomes across its educational, continuing education, professional development, and training activities.

Within the approved scope and validity period of this institutional accreditation, IOSHQ | The Institute of Occupational Safety, Health and Quality Management is authorized to conduct educational and training activities across all accredited subject areas, programs, credential categories, educational levels, and delivery modes, and to issue IABCET Continuing Education Units (CEUs) in accordance with the Board's applicable standards and requirements.

A GLOBAL BENCHMARK FOR QUALITY, INTEGRITY & EXCELLENCE IN CONTINUING EDUCATION AND TRAINING
